IITKGP DELEGATIONS VISITS TO THE USA

Incoming IITKGP Director Suman Chakraborty spent ten days visiting Boston, Omaha, Houston, and San Francisco.

In addition to meeting university representatives and alumni in these cities, the Director participated in the launch of the **IITKGP Houston Outreach Center**. The IIT Kharagpur Outreach Center in Houston, anchored at the historic Tagore Center, will serve as a hub for global academic collaboration, cutting-edge R&D in areas such as AI, healthcare, and energy, and leadership development.

Backed by strong support from IIT Kharagpur's leadership, the Consulate General of India, and the global alumni community, **the Center will expand the Institute's international footprint and strengthen its innovation ecosystem**. The Deysarkar family (Asoke, Ruma, their son Sayan, and Asoke's brother Samir) donated the Tagore Center property valued at nearly USD 10 million in Houston, which will form the foundation of the IITKGP Outreach Centre in the US.

This property gift is intended to **foster global engagement, alumni collaboration, and Indo-US partnerships** at a scale not previously attempted by the institute.
