Fellow Alumnus/na of IIT Kharagpur,

As 2021 ends and we celebrate the festive holiday season, we reflect upon the last year. We wanted to share and update you on a few of the major accomplishments of the IITKGP Foundation (IITKGPF) from this past year.

[IITKGP Directors Alumni Fund for Campus and Vicinity Staff due to COVID—19 \(AKA “KGP Alumni Fund for COVID-19”\)](#)—Started in April 2020, the hugely successful efforts to help community workers of IIT-Kharagpur’s campus continues with ration distributions still being held. The hope is for this campaign to continue until the pandemic has ended. We will continue to bring you updates in our weekly newsletters when there are distributions.

[A C Pandya Students’ Activity Centre](#)—The A C Pandya Students’ Activity Centre (IIT Gupshup Pavillion), located in the Department of Agricultural & Food Engineering, was initiated on February

22, 2021. The Centre, established by Vinod Gupta ('67) and receiving huge support from Rakesh Gupta ('86), will serve as a place for students to hang out, have a cup of tea or snack, and connect with each other. The hope is that all departments will eventually have a center like this for their students.

[Alumni Clock Tower/ADDA](#)—The Alumni Clock Tower has been popular since its dedication in 2020. It was illuminated in lights for Diwali and continues to be a beacon to those visiting IIT-Kharagpur. The ADDA, a gift from the Batch of 1970 on their Golden 2020 Reunion, serves as a site at the crossroads of campus for students, alumni, faculty, and staff to gather.

[Partha Ghosh Academy of Leadership](#)—The academy, the first of its kind in India, is holding its inauguration December 18, 2021, in the PC Ray Building at IIT-Kharagpur. With Prof. Kanchan Chowdhury from the Department of Cryogenic Engineering at the helm as Chair, the academy has plans to develop innovative programs combining core curricula in science and engineering disciplines with philosophy, reasoning, and liberal arts.
