

We are happy to announce that the Inter Academy Partnership (IAP) has selected Professor Nishant Chakravorty from the School of Medical Science and Technology of IIT Kharagpur, who is amongst the selected twenty notable names globally, to attend IAP- Young Physician Leaders Programme in conjunction with the World Health Summit 2021, which has been scheduled to be held at Germany in the month of October of the year 2021.

The Inter Academy Partnership (IAP) is a global network of science, engineering & medical academies working together to provide independent expert advice on scientific, technological & health issues. The IAP Young Physician Leaders (YPL) programme trains emerging leaders working in healthcare centres around the world and links them together in a peer-support network. Prof. Chakravorty's nomination was sent to IAP by Indian National Science Academy (INSA) upon recommendation by Indian National Young Academy of Sciences (INYNAS) and after approval by Vice President of International Affair as well as President of INSA.

Heartiest congratulations to Prof. Nishant Chakravorty!!!

Heartfelt congratulations to Dr. Abhijeet Chandra, the Assistant Professor of Finance and Accounting from Vinod Gupta School of Management at IIT Kharagpur for being elected as a member of the Board of Governors of the Asia-Pacific Risk and Insurance Association (APRIA) for the year 2021-22, for his immense contribution to research and practice in the area of risk and insurance!

As a member of the Board of Governors, Dr. Chandra along with the other members, would be responsible to develop policies and to promote risk and insurance education throughout the academic world and the insurance industry. The Asia-Pacific Risk and Insurance association (APRIA) was created in 1997 and it is a very important organisation for the future of Risk Management, Insurance, and Actuarial science education in the Asia-Pacific Region.

We are pleased to inform you that Mr. Soumendu Boral, the Research Scholar from the School of Bio Science of IIT Kharagpur has been honored with “The Protein Science Anniversary Award” by The Protein Society. The Protein Society has selected students from all over the world for the Protein Science Anniversary Award this year and Mr. Soumendu Boral is the one amongst the three students who have been selected from India.

In fact, Mr. Soumendu has also been honored with “The Graduate Student Poster Award” by The Protein Society for presenting work in the 35th Anniversary Symposium of the Protein Society. His supervisor is Prof Soumya De, School of Bio Science.

Warmest congratulations to Mr. Soumendu Boral on his achievements!!!

Under the guidance of Professor Debraj Choudhury, Mr. Aminur Rahaman, the Research Scholar from the Department of Physics had presented a poster in the International Conference, "Interdisciplinary Topics in Materials Science 2021" (<http://www.sites.google.com/view/itam2021/home>), which was jointly organized by IISc Bangalore, JNCASR Bangalore and CeNS Bangalore. We are pleased to inform you that Mr. Aminur's poster had been selected as one of the Best Poster Winner Awards in this conference. Heartiest congratulations to Mr. Aminur Rahaman!!!

A team of four final year LL.B students comprising Charu Joshi, Gayatri Joshi, Poulomi Sen and Harshita Agarwal from the Rajiv Gandhi School of Intellectual Property Law of IIT Kharagpur participated at "Indian Moot on Artificial Intelligence and Law", which is a Moot Court Competition organised by the Indian Society of Artificial Intelligence and Law.

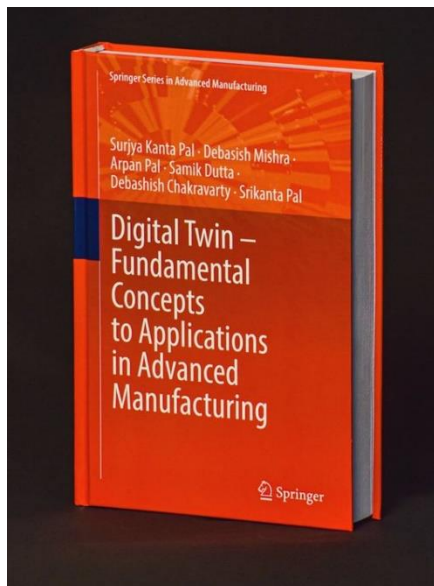

We are delighted to inform you that they were awarded the "Best Respondent Memorials" and the "Best Researcher Award". Overall, they have been adjudged as the "Second Runners-Up" team. Heartfelt congratulations to the entire team!!!

We are delighted to inform that Dr. Rajib Maity, the Associate Professor from the Department of Civil Engineering of IIT Kharagpur has been elected as a Fellow of the prestigious Royal Meteorological Society, UK, for his immense contributions in the field of meteorology.

The Royal Meteorological Society is the UK's Professional and Learned Society for weather and climate. The society is renowned for its contribution towards strengthening the science and raise awareness of the importance of weather and climate. Heartiest congratulations to Dr. Maity!!!

We are elated to inform that the Springer has published a book entitled “Digital Twin- Fundamental Concepts to Applications in Advanced Manufacturing”, authored by Prof Surjya Kanta Pal, the Professor from the Department of Mechanical Engineering and the Founder Chairperson of the Centre of Excellence in Advanced Manufacturing Technology at IIT Kharagpur; Prof Debashish Chakravarty, the Professor from the Department of Mining Engineering of IIT Kharagpur; Mr. Debasish Mishra, the Research Scholar from the Advanced Technology Development Centre of IIT Kharagpur; Dr. Arpan Pal, the Distinguished Chief Scientist and the Research Area Head of Embedded Devices and Intelligent Systems at Tata Consultancy Services, Kolkata; Mr. Samir Dutta, the Principal Scientist from the CSIR-Central Mechanical Engineering Research Institute, Durgapur and Prof Srikanta Pal, the Professor from the Department of Electronics and Communication Engineering of Birla Institute of Technology, Mesra. Heartiest congratulations to the entire team!!!

Heartiest congratulations to Professor Makarand Madhao Ghangrekar of the Civil Engineering Department at IIT Kharagpur, for being nominated for the Science and Technology Academic, Innovations and Research (STAIR) 2021 Distinguished Professor Award by the STAIR Award committee!
