Late Ajay Kumar Singh (1993/B.Tech/EE)

Ajay Kumar Singh (1971-2000) was a trailblazer in every sense of the word. A brilliant student from Begusarai, Bihar, Ajay joined IIT Kharagpur in 1989 to earn his BTech in Electrical Engineering.

He stood out not only for his academic excellence but also impressed one and all with his strong will and boisterous personality. With Ajay around, there was never a dull moment. For someone so committed, it was not unexpected that Ajay would make it as a brilliant IPS officer. In 2000, Ajay lost his life in the line of duty bravely fighting Naxalites in an area near Ranchi. The nation, his family and his friends lost a young and dynamic person. But his indomitable spirit lives on, and we the Batch of 1993 from IIT Kharagpur humbly wish to cherish and preserve his memories as an inspiration to countless other brave students who wish to follow Ajay's free spirit.
