

## LEARN - EARN - RETURN

*Learning as a student, earning as a professional, and returning as an alumni...*

- The Learn-Earn-Return initiative aims to raise funding to create financial support for students and develop a culture of giving back to sustain the initiative. Students that receive L-E-R funding take an Honour Pledge to give back to KGP in the future.
- It takes Rs. 2 lakhs (approximately \$2,800) to fund a student for one year at KGP. L-E-R helps students to learn without burden, shape their career, and give back to their Alma Mater in the future.
- On this Giving Tuesday (**November 27**), please give back generously to L-E-R!
